# LUMACOSMETICS

**Nature heals**

## *About me*

**"We are a company with a passion: to create high-quality cosmetics by harnessing the extraordinary properties of snail serum. Our history is rooted in tradition and love for nature, values that guide us in the search for pure ingredients and sustainable production processes."**

# Pure Snail Slime Spray

Snail slime is extracted from "Helix Aspersa" snails for cosmetic use. Snail slime is naturally rich in Allantoin, Collagen, Elastin, Glycolic Acid, Lactic Acid, Mucopolysaccharides, Vitamins A-C-E-B1-B6. It is used in anti-aging products, in case of tissue relaxation. It has a film-forming, healing and regenerating effect, particularly effective in combating expression wrinkles.

**FEATURES:** extraordinary cosmetic product with a resolute action formulated with a maximum percentage of pure snail slime. It exerts an intense protective and moisturizing action. When applied regularly, it prevents signs of premature skin aging: wrinkles, loss of elasticity, dryness, and discoloration. It is particularly suitable for delicate and stressed skin, where it soothes redness and provides relief.

**HOW TO USE:** dispense the product on the areas of the face and body to be treated, massage gently to facilitate absorption. Repeat the treatment morning and evening after cleansing the face and before applying serum and face cream. Avoid contact with eyes and mucous membranes. Do not apply to damaged skin.

# Body Cream

## Functional Ingredients

Snail slime is extracted from "Helix Aspersa" snails and is naturally rich in Allantoin, Collagen, Elastin, Glycolic Acid, Lactic Acid, Mucopolysaccharides, and Vitamins A, C, E, B1, and B6. It is used in anti-aging products and is particularly effective in reducing the appearance of expression lines. It also has a film-forming, soothing, repairing, and regenerating effect.

## Characteristics:

This cream has a soft texture and, thanks to its high content of precious snail slime and shea butter, is ideal for massaging the body and restoring the skin's hydration, leaving it soft, velvety, and silky. It prevents signs of premature skin aging such as loss of elasticity, dryness, discoloration, and stretch marks.

## How to use:

It is recommended for daily use after a bath/shower or after prolonged sun exposure. The skin will be fresh and luminous. Enriched with:

- Almond oil: Moisturizing and emollient, it acts on the skin restoring its natural hydration and softness, also acting as an antioxidant.
- Argan oil: Nourishes and protects the skin, improving its elasticity.
- Jojoba oil: Regulates sebum production and helps to soothe irritated skin.
- Honey: Excellent moisturizer and emollient, it acts on the skin restoring its natural hydration and softness, also acting as an antioxidant.
- Vitamin E: Provides antioxidant action for the skin.

# Hands cream

**ACTIVE INGREDIENTS** Snail Secretion Filtrate, extracted from "Helix Aspersa" snails, is a treasure trove of active ingredients: Allantoin, Collagen, Elastin, Glycolic Acid, Lactic Acid, Mucopolysaccharides, and Vitamins (A, C, E, B1, B6). Used in anti-aging treatments, it is particularly effective in combating signs of aging and skin discoloration, thanks to its regenerating, soothing, and protective action.

**CHARACTERISTICS** This cream, with its soft texture and rich in precious snail secretion filtrate, has been specially formulated to protect and nourish your hands. Its formula envelops the skin in a protective film, restoring softness, elasticity, and a pleasant feeling of comfort.

## **ENRICHED WITH:**

- **PANTHENOL:** Soothes irritations and helps maintain skin hydration.
- **SHEA BUTTER:** Deeply nourishes, protects against external aggressions, and provides elasticity to the skin.
- **HONEY:** Tones, nourishes, and smoothes, restoring the skin's natural radiance.

**HOW TO USE:** Apply to hands several times a day, especially after washing or when you feel your skin is dry. [Product Name] is the pampering your hands deserve every day.

# Face Cream

**Snail Secretion Filtrate** is extracted from "Helix Aspersa" snails for cosmetic use. It is naturally rich in Allantoin, Collagen, Elastin, Glycolic Acid, Lactic Acid, Mucopolysaccharides, and Vitamins A-C-E-B1-B6. It is used in anti-aging products, especially for sagging skin. It has a film-forming, healing, and regenerating effect, particularly effective in combating expression lines.

**CHARACTERISTICS:** A lightweight cream indicated for face, neck, and décolleté. It prevents signs of skin aging: wrinkles, loss of elasticity, dryness, and discoloration. Enriched with:

- **SHEA BUTTER:** Thanks to its emollient, toning, and antioxidant properties, it gives the skin radiance and well-being.
- **LIPOSOMAL HYALURONIC ACID:** A functional hyaluronic acid capable of retaining water molecules. In liposomal form, this acid is able to penetrate through the lipid protective layer of the dermis and act in the deeper parts, maintaining constant hydration.
- **FUNCTIONAL TRIPEPTIDE:** Helps to stimulate collagen synthesis.
- **GLYCOSAMINOGLYCANS:** Polysaccharides that help stimulate the synthesis of collagen and elastin, contributing to cell renewal.

**HOW TO USE:** Apply the cream morning and evening after cleansing the face with a gentle massage. The skin will be fresh and luminous.

# Pure Snail Slime Face Drops

Snail Secretion Filtrate is extracted from the "Helix Aspersa" snail for cosmetic use. Naturally rich in Allantoin, Collagen, Elastin, Glycolic Acid, Lactic Acid, Mucopolysaccharides, and Vitamins A, C, E, B1, and B6, Snail Secretion Filtrate is a key ingredient in anti-aging products, particularly for addressing sagging skin. Its film-forming, healing, and regenerative properties make it highly effective in combating expression lines.

This lightweight serum or elixir is ideal for the face, neck, and décolleté. It prevents signs of skin aging, wrinkles, loss of elasticity, dryness, and discoloration. Perfect for post-surgical procedures to accelerate tissue healing and regeneration. It has a wrinkle-filling effect, adds radiance, and evens out skin tone, leaving it feeling fresh and soft.

Enriched with:

**Hydrolyzed Collagen:** Used as an anti-aging and anti-wrinkle agent, it also has a toning effect.

**Sodium Hyaluronate:** The sodium salt of hyaluronic acid, it provides anti-aging benefits and gives the skin firmness.

**HOW TO USE:** Apply the serum morning and night after cleansing the face with a gentle massage. Your skin will feel refreshed and radiant."

# Hair Shampoo

## NOURISHING AND REGENERATING HAIR SHAMPOO

This product is ideal for daily hair cleansing. It deeply cleanses the hair, removing residue and impurities. Formulated with:

- Pure COSMOS-certified "Helix Aspersa" snail slime: Naturally rich and concentrated in active and skin-friendly ingredients (Allantoin, Collagen, Elastin, Glycolic Acid, exfoliating Lactic Acid, Mucopolysaccharides, Vitamins A-C-E-B1-B6), it exerts a regenerating and protective effect on the scalp, while leaving the hair silky smooth.

Hydrolyzed Keratin: Naturally rich in sulfur amino acids, it provides protective and conditioning properties to the hair, especially for dry, weak, dull, and stressed hair.

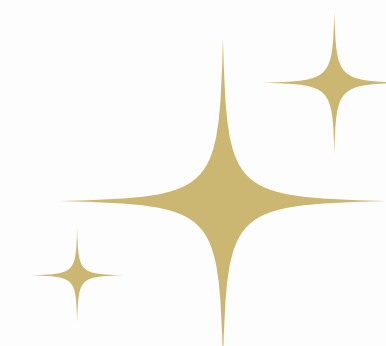

# Face Serum

Snail Secretion Filtrate is extracted from the "Helix Aspersa" snail for cosmetic use. Naturally rich in Allantoin, Collagen, Elastin, Glycolic Acid, Lactic Acid, Mucopolysaccharides, and Vitamins A, C, E, B1, and B6, Snail Secretion Filtrate is a key ingredient in anti-aging products, particularly for addressing sagging skin. Its film-forming, healing, and regenerative properties make it highly effective in combating expression lines. FEATURES: This lightweight serum is suitable for the face, neck, and décolleté.
